Dear Haynes Family,

In 2010-2011, E.L. Haynes did not make Adequate Yearly Progress under the No Child Left Behind Act. As a result, E.L. Haynes must reserve a certain percentage of its federal funding to provide free tutoring through an approved Supplemental Educational Service (SES) provider. These services are provided outside of the regular school day, which may include after-school, before-school, Saturday or intersession weeks.

We are required to notify you that your student is eligible to receive these free supplemental services. However, there is a possibility that demand may exceed the available funding for services. In the event that demand for services exceeds the available funding reserved, we will offer services based upon academic need. In order to equitably determine academic need, we will focus services on students who are the lowest-achieving in Reading because it was the subject that resulted in the school being identified for improvement.

Please return the attached form if you are interested in receiving these services. You can find the list of state-approved providers and including details about the services offered by each online at: <http://www.elhaynes.org/resources.html>. If your student is identified for services, we will contact you to begin the process of selecting a provider.

If you have any questions, please feel free to reach out to me or contact Caroline Gottlieb at 202-706-5838.

Sincerely,

Towana Pierre-Floyd
Principal
