

Instructional Program

School Initiatives

Strategies

1

**High
quality
curriculum**

1. Create love of reading and DISCUSSING books.
2. Generate enthusiasm for PUBLISHING written work.
3. Develop exciting projects and expeditions that create a love for SCIENCE.
4. Ensure that math is differentiated, especially with CHALLENGE problems.

2

**Provide
useful
feedback**

1. Share student work with parents in order to CLARIFY where students are so parents know how they can best PROMOTE their students' learning.

3

**Engage
parents in
our
mission**

1. Help families to develop SOCIAL NETWORKS to ensure that students are successful at ELH through All School Meetings, Potlucks, and other social events.
2. Form an SPT committee on family COLLEGE READINESS to help all families know that access and completion of college is a reality for their children.
